

# PAYE Modernisation Seminar For Community and Comprehensive Schools

**The Revenue Commissioners will present a seminar on the upcoming PAYE Modernisation and how it will impact on employers and employees.**

## OVERVIEW

PAYE modernisation is the most significant reform of the administration of the PAYE system in over 50 years.

This seminar will explain how PAYE Modernisation will function from when it is introduced in January, 2019. It will highlight the benefits from an employer's perspective as well as describing employee benefits.

The new real time reporting regime will be operational for all employee payments being made from 1 January 2019.
