Clarification in respect of Circular Letter 0035/2018

Introduction

Circular 0035/2018 sets out the prescribed material for the L1 Irish Specification which is targeted at those students for whom Irish is their first language and those studying subjects other than English through the medium of Irish.

The purpose of this Circular is to provide clarification where the referencing information provided in relation to a small number of poems required minor amendment. Amendments apply, as relevant, to the collection title, year of publication, or publisher name only. It should be noted that there is no change to the titles of the prescribed texts as set out in Circular Letter 0035/2018.

Circular 0035/2018 and this clarification can be accessed on the Department's website under www.education.ie
