**Other**

- We currently have nearly 150 experienced Irish teachers on our database looking to return to Ireland. Many from shortage areas such as Maths, Science etc...

- 300 candidates in the last 2 years.  
Potential for many more this year in a longer cycle.

- 120 successful teacher appointments in shortage subjects such as Biology, Science, Maths, Irish and MFL.

**Please ensure that any vacancies lodged with us are full time, not currently filled and have substantial hours.**

**Apply here: <https://www.turasabhaile.com/schools.html>**

**Great feedback...**

*"Turas Abhaile has been an excellent and innovative platform to help us source teachers for City of Dublin ETB in the last year. We employed over 130 teachers last year and we engaged, interviewed and employed quite a number of teachers through the Turas Abhaile platform. We are again looking at similar numbers for this year and are delighted to be working with Turas Abhaile for summer 2021."*

***Paul Crone (Head of Schools City of Dublin ETB)***

**VIDEO LINK**

*"Turas Abhaile proved to be an excellent vehicle for sourcing teachers, particularly in the context of the teacher supply issues faced by our schools. Turas Abhaile was a very user friendly platform providing access to a cohort of teachers who had gained valuable experience abroad and who were ready to return to Ireland. The merits of Turas Abhaile were acknowledged by the Department of Education and Skills and the Association of Community and Comprehensive Schools is happy to facilitate the platform for the coming recruitment year 2021."*

***Paul Fiorentini (Former President of Association of Community and Comprehensive Schools)***

**Can you please attach your current vacancies and register using the link above if you are interested in having those teachers apply, whom are currently based in the UAE, UK & China.**

**Note: This system will involve uploading your application form for school vacancies. The normal recruitment process and circulars will apply. However Zoom based interviews will be required to facilitate this process.**
